Dear Mrs. MacDonald

We proudly dedicate our 1963 Tiger Annual to you. You have always had a friendly smile and a cheerful word of greeting for us when we come to the office.

Your helping hand to a newcomer who needs directions or an "old timer" needing advice has made you a friend to all of us and we'll never forget you for it.

# Class Prophecy: 1973 Class Reunion

We're on our way to a reunion. Why don't you join us? We're having it at Disneyland, thanks to Joe Garcia, the new President. He just replaced Walt Disney, who died of a heart attack. Here's Jet now, with his faithful bookkeeper, Brenda Haws. She was Mr. Reese's pride and joy. Here's Jenny Tapia, too. She's our official Disneyland guide. She fell in love with the place and refuses to leave the grounds. She sleeps in the Swiss Family Robinson tree house every night.

There's the band over in the Plaza, but they sound more like a race track. No wonder! There's Mike Hyman playing his coronet. Look out for the fire wagon! Chief Johnny Gachrist is on his way to put out Mrs. Warren's fire. Anyone for cotton candy or candy apples? Bud Van Kirk is here with his little push cart trying to sell them. He needs real money.

There's Gloria Navarette, the recording booth of the record store. They say she's been in there for 10 days cutting records and a friend. She's been mistreated about her singing. She thinks he's great!

Here we are at Tomorrowland. The rocket is getting ready to take off for the moon. Joanne Bahr, the hostess, is making the passengers comfortable. She even feeds their bananas for them. On the last trip Philip Marsh brought back "Moon Blues" and now he's trying to teach them to talk. For scientific purposes he says.

Here comes the motorcade. Here's Navarette driving. She always loved to play with cars. What on earth? Why it's Carolyn March. She's hanging from the motorcade window. I think she was leaning out too far. She fell, and right into the lake for the Submarine Race. Maybe she'll scare off Francis Madrid, the new maid, and we'll get to say "hi" to her. Francis is the shy type. She doesn't even come up for air.

We'd go for a ride on the Autopia but it's being changed. Reckless Ernie Rogers ran off the overpass and killed Sammy Ong, a Mouseteer, who was dancing to the police. She really wrecked the whole set up.

There's the Matterhorn. Fearless Jim Moberg is climbing to the top to rescue Dr. Henry Ich. She's been standing up there on a yodeling marathon.

Let's move on to Fantasyland. There's Fa Mulrow feeding the swans in the pond. Now over the draw bridge and here we are. There seems to be a correction of King Arthur's Camelot. Roxie Miller has been riding for two days, and she won't get off. Seems she's fallen in love with the big black horse.

There's Mr. Road's wife Alice and look who's driving. It's Kenny Brown. His little green car is really moving. Want to go ride on Dr. Who the Flying Saucer? Some Hags is going to and round yelling, "Wheel!"

Everyone out of the way, here comes Alice in Wonderland, Dolor's Hall, and she's being chased by the Mad Hatter, Howard Nichols. I don't think he's stopped since '63.

Well, with that let's move on to Frontierland. The main train is just leaving for the mountains. Leonard Lamb can be seen disappear over the ridge. Something's gone wrong. Leonard's coming back. He forgot his Cheerios.

There's a fight! Tony Higgins is trying to scalp Oscar Munoz. Tony has a pretty good racket going. He sells the scalps to Leonard Beebe who in turn sells them to tourists.

Well, let's go to the Golden Horse Shoe Saloon for some refreshments. The proprietor, Johnny Higerra, will be happy to see us. First Civilized people in days. If we hurry we can make N. via Lamoreaux's 1 o'clock performance, she's the better singer, you know. She used to be with Ofelia Romero for the position because of Ofelia's great dancing, but Ofelia was fired last week because one of the patrons yelled "Take it Off," and she did.

That was a nice rest, but before we leave Frontierland, let's go to Tom Sawyer Island. Malcolm Peterson can take us over on his raft, the "Becky Thatcher." Providing we fork over the fare first.

We'd have to hurry if we plan to see all of Adventureland before it gets dark. The electric bill hasn't been paid so there aren't any lights.

We're now on our river boat the "Jungle Queen," heading to the treacherous waters of the densest jungles in the world. Our trusty guide, Vickie Palmer, will bring us safely through. We hope. Look! On the right. That huge gorilla is trying to attract our attention. The hairy beast is waving his arms like mad. Why it's Gary Peabody!

Look, around the bend ahead. The natives are burning a victim at the stake. Oh, dear. It's Sharon Bratord! We warned her about playing with matches.

Something's wrong at the rear of the boat. MAN OVERBOARD! Joe Wisdom just got pushed in by one of his hateful fans, and was eaten by a mechanical alligator before we could rescue him. Oh, sorrowful tears.

On the river bank ahead we see a huge Watusi, Mary Damp, selling poisoned arrows, and right across the river from her is Leonard Beebe selling the scalps Tony has collected for him. Leonard is a very good salesman, and reasonable too. If you can't pay cash, he'll take your scalp as a trade in.

Well, we're back to civilization again and the dangers of the freeway. If you didn't lose your mother-in-law back there, you missed a golden opportunity.

We're sorry Ruth Lamoreaux couldn't be with us for this reunion but after 10 years, she's quite busy. She had to take care of her five children, and her TV show, "Romper Room School."

It's time to head back home again. It's been nice talking to you. This 1973 class reunion really went off well. The only people we haven't told you about are ourselves. There's really not much to tell. We couldn't bear to leave Gilbert, so we've become permanent members of Mr. Higgins' government class, much to his regret.

Well, Bye now - we'll be seeing you around.

# Class Will

We, the Senior Class of 1963, in sound mind and good health declare this to be our last will and testament to be executed in the following order:

Our class as a whole, leaves a perfect library to Mrs. Warren and a stack of Excuse Permits to Mr. Reese. They were our beloved class sponsors. Bless them!

- I, Joanne Bahr leave the pep juice to Gilbert Tigers. They may need it.
- I, Leonard Beebe leave my Protein pills to Brian Donahue.
- I, Sharon Braford leave my grades to Lynette Gieszl.
- I, Kelly Brown leave my parking space to Jay Hansen.
- I, Cindy Darlington leave three cans of cat food to Sandra Clare.
- I, Mary Dunlap leave my dough from 'Sparkin' to the Home Ec. Department.
- I, Vicki Eimer take everything with me. Never can tell when you may need something you might have thrown out.
- I, Joe Garcia leave my Football jersey (No. 56) to Mike Conner. Fill it up, boy!
- I, James Ginchist leave my typewriter (in the corner by the back door) which is always broken to the next years typing class. By the way, it can't spell worth a darn.
- I, Doyle Hargis leave my wise cracks to John Divelbess. Does he need them?
- I, Brenda Haws leave my title as Most Athletic Girl to Roberta Isch.
- I, Tony High leave my sister, Pat, to anyone who will take her.
- I, Johnny Higuera leave my speed in track to Bill Gaines.
- I, Deloris Hill leave my tardy slips and absence excuses to Bob Slade. Use them well!
- I, Mike Hyman leave my Tiger Tales Editorship to anyone who appreciates a good headache!
- I, Darlene Isch leave my locker and its problems to G.H.S.
- I, Leonard Lamb leave my Cassanova ways with girls to Steve Hills.
- I, Nivla Lamoreaus leave my nickname 'Flash' to Sharon Eaton.
- I, Rati Lemons leave my clowning ways to Ben Ong. I'm sure he'll be worthy of them.
- I, Frances Madril leave my Government Tests to Carlos Cobos. They'll come in handy.
- I, Phillip Marsh leave my hidden talent (there must be a lot of them) to Mike Taylor.
- I, Carolyn March leave my Coordination and Grace in Field Day events to Mariene Lutz.
- I, Roxie Miller leave the teachers to G.H.S. . . . Gladly!
- I, Illa Morrow leave my height to Betty Dunlap.
- I, Jim Moyers leave my dancing ability to Donnah McCulloch.
- I, Oscar Munoz leave my curly hair to Mr. Inglis. He was so nice in Government.
- I, Albert Navarrete leave my ability to get engaged to my sisters. Use it wisely!
- I, Gloria Navarro leave my lost pounds to Lorna Roder.
- I, Howard Nichols leave my shyness to Mike Smith. Chuckle, Chuckle!
- I, Sammy Ong leave Senior pranks to the boys of '64. Watch out, G.H.S!
- I, Barbara Palmer leave my double talk ability to Mr. Reese. Watch those ditchers!
- I, Gary Pember leave my three wheel Cushman to Denesio Sepulveda.
- I, Maureen Peterson leave my ability to walk the straight and narrow to Rodney Haymore. Don't get lost Rodney.
- I, Eric Roller leave my studious ways to Don Reddinger.
- I, Ofelia Romero leave G.H.S. to anyone who wants it.
- I, Jerry Tapp leave my good times in High School to all up and coming Freshmen.
- I, Bill Van Kirk leave my driving ability to Mr. Wisdom to pass on to all the Driver's Training students. Look out, all pedestrians and nervous drivers.
- I, Joe Wisdom, last but certainly not least, leave my fearlessness to Jim Wolfe.
